

## BENEFITS OF ON-CAMPUS HOUSING

- Water, electrical allowance, phone and basic cable included
- Laundry and trash rooms in each building
- Limited to members of the Ave Law community
- Competitively low rental cost
- Close proximity to classrooms and library
- If a roommate is not specified on the housing application, you will be placed with another AMSL student.

- AMSL Housing does not permit pets or smoking. Review the Housing Handbook for additional information.
- If you are renting the entire unit, add A & B together. Leases are annual and billed by the semester.

## APARTMENTS

**A Unit type A**  
Our intermediate two-bedroom apartment offers a nice middle ground in size and price. These units are located near the stairs, and have very nice natural light coming in through the many windows. The floor plan resembles that of the larger two-bedroom apartment, but with a smaller footprint.

**B Unit type B**  
Our smallest two-bedroom apartment at 1,041 square feet is a good choice for the budget-minded student as the least expensive housing option. The units are conveniently located near the elevators and laundry rooms.

**D Unit type D**  
Our largest unit is a three-bedroom apartment at 1,519 square feet. It is a preferred choice for students looking for more space, comfort and privacy. Bedroom A features extra closet space and a Jacuzzi tub.

## VILLAS

### Benefits of Villa Living

- Easy access with ground level buildings
- Single car garage
- Laundry machines provided
- Screened in lanai
- Yard behind and around villa

The Villas offer a unique residential-style living experience for students seeking the comfort and convenience of on-campus housing. With spacious floor plans, private garages, driveways, and in-unit laundry, these accommodations provide greater flexibility and a more independent lifestyle compared to traditional student apartments.

Additional benefits of living in the Villas include proximity to local amenities such as a public park, Vineyards Elementary School, the beach, and Publix—making it a convenient choice for students with diverse needs.
