Join Us in Putting Justice in Motion

We are excited to launch the inaugural **Justice in Motion 5K & The Honorable Mile**, taking place Saturday, February 13, 2027, at Ave Maria School of Law in Naples, Florida.

More than a race, Justice in Motion brings together our law school, legal, business, and Southwest Florida communities for a morning of fitness, fellowship, and service—all in support of a meaningful cause.

Proceeds from the event will support Ave Maria School of Law students pursuing summer opportunities with nonprofit and public-interest organizations, helping them use their legal education in service to others while gaining valuable hands-on experience.

Your sponsorship helps make this inaugural event possible while directly supporting the next generation of legal professionals committed to serving their communities. We invite you to become a founding sponsor of **Justice in Motion** and join us as we **Run with Purpose. Serve with Heart.**

FAITH IN FORMATION. JUSTICE IN ACTION.

At Ave Maria School of Law, students are called to use their legal education not only to build successful careers, but also to serve others. Through public-interest and nonprofit legal work, our students gain invaluable experience while providing their talents to organizations and communities that need them.

Justice in Motion 5K & The Honorable Mile was created to help support that service. Proceeds from this event will help fund Ave Maria School of Law students pursuing summer opportunities with nonprofit and public-interest organizations—experiences that can make a lasting difference in both a student's professional formation and the communities they serve.

Your sponsorship helps put purpose into motion, supporting our students as they take their legal education beyond the classroom and into meaningful service.
